**Michele Smith** is a 2-Time USA Softball Gold Medalist having pitched her way to gold in both the Atlanta and Sydney Olympic Games. Considered by many to have the best mechanics of any pitcher in the game, she continues to play professionally in the Japan Pro League where she has racked up such honors as Top Pitcher 11 times, Top Hitter four times and MVP eight times. Having recently been named Worldwide

Ambassador to Softball, Michele travels regularly to promote the sport and can also be seen on ESPN and NBC where she serves as a softball analyst.

**Cat Osterman** currently holds the title of #1 softball pitcher in the world having recently garnered back-to-back wins at the World Championships in Beijing, China and the World Cup in Oklahoma City. Her phenomenal performances on the mound came as no surprise to anyone who followed her stellar career at the University of Texas. This lefty won her first Olympic Gold Medal at the 2004 games in Athens, Greece and is likely to again bring home the gold at the Beijing games in 2008.

**Candice Freel** has done what all ball players wish they had done: played for Florida Atlantic Head Coach and legend Joan Joyce! After making a name for herself at FAU, Candice took her pitching prowess abroad where she played professionally in both Italy and Holland. Upon returning to the U.S. she played for the NPF

As a college catcher, **Melissa Gentile** was a four-year letter winner for the University of Michigan and finished her tenure as the career (28) and single-season (13) home run record holder. After participating in two Women's College World Series, "Skeeter" went on to play for the USA National Team and is now the owner of the Fastpitch Learning Academy.

The Women's Professional Softball League named **Linda Derk** 'Coach of the Year' in 1999 after she famously guided her team to a record 37 victories. As owner of LDI Sports, Linda has worked tirelessly with young ball players all over the world. Her passion for the sport is contagious and her teaching style is unparalleled.

Former Georgia State All-American **Jaci Davis** is the popular Pitching Coach for the UT Spartans. As a private pitching instructor, she has seen 10 of her high school students go on to sign Division I scholarships.

After helping to bring home the Gold in 2004, **Kelly Kretschman** is once again representing the USA in Beijing as a member of the 2008 USA Olympic Softball team. A graduate of the University of Alabama, Kelly was named Nation's Top Softball Player of the Year and during her freshman season led the NCAA in homeruns and slugging percentage. Kelly is one of the best outfielders in the game and we are thrilled to have her join our lineup.

**Rita Lynn Gilman** hails from Hanover County, Virginia where she owns her own pitching school. After much success working with pitching students, she was recently invited by the Chinese Taipei Amateur Softball Association to lead their National Pitching School. A teacher and student of Michele's pitching technique, Rita is a great addition to our camp.
