Strengths:
My strengths are to maintain composure in challenging situations on the mound. I do not lose my cool nor get too overly eager with excitement in the game. I love to be under pressure, where I perform my best. My strengths are to pitch my best to get ahead as the opening pitcher but I also have been known to be a strong closer as well. I also am a very strong batter and usually bat in middle of the line-up.

Goals:
My goals for the next 4-6 years is to attend college and have the opportunity to pitch for the team. I am unsure in my major but am in the process of considering all possibilities.
