

I've trained Lacey from the very beginning of her pitching career at age 10 and I've known her since she was born. My mother and Lacey's grandmother grew up together in Welch, WV and went to nursing school together in Richmond, VA. Today, they are still best friends!

Lacey has matured in to one of the most dominating pitchers the Central Region has ever seen. As a freshman she led Thomas Dale High School to an undefeated regular season in Spring 2008. She was honored as the Times-Dispatch **All-Metro Pitcher of the Year!!!!!!!!!!!!** Wow! Never before has a freshman earned this distinction. Other awards included All-District, All-Region and All-State honors. Congrats Lacey!!!!

Lacey's fastball hits 64mph and she spins her curve and rise an amazing 35 revolutions per second! No wonder she gets nasty movement!

Look for great things to come from this young lady!
